CONTENTS

1-Reviewing the past 3 decades

Women leadership

We are in 30th year of our registration At the outset SECURE dreamt to empower women through SHG. And also by imparting education .During 2010 we have formed 66 WSHG in Kaptipada block Then During 2012- 2016 we have formed 350 WSHG in Kaptipada and 125 in G B Nagar Block . Most of our WSHG members are now employed in OLM and Mission Shakti, projects . Some of the members have become ward member, PS member and Sarapancha , so on and so forth .

Education

Nota is a tribal dominated GP under Kaptipada Block and at the vicinity of the foot hill area of SIMILIPAL . We have constructed one HIGH school (SECURE Residential Secondary School) there and continued from 2003 to 2013 . Most of the students have been appointed in Govt. and private jobs. Some have become political leaders . We got permission for school but due to non availability of non tribal land we were denied recognition.

Livelihood

During the year 2015 to the end of 2019 we were running a livelihood project MSED (Mayurbhanj Socio Economic Development)by name with support from Heifer International and GALV Med ,USA .The second donor helped to promote poultry and the 1st one to Goatery including other sectors of smooth livelihood .

We have 35 members in SECURE , 7 in Governing Body and 28 in General body .

2-PRESENT ACTIVITIES

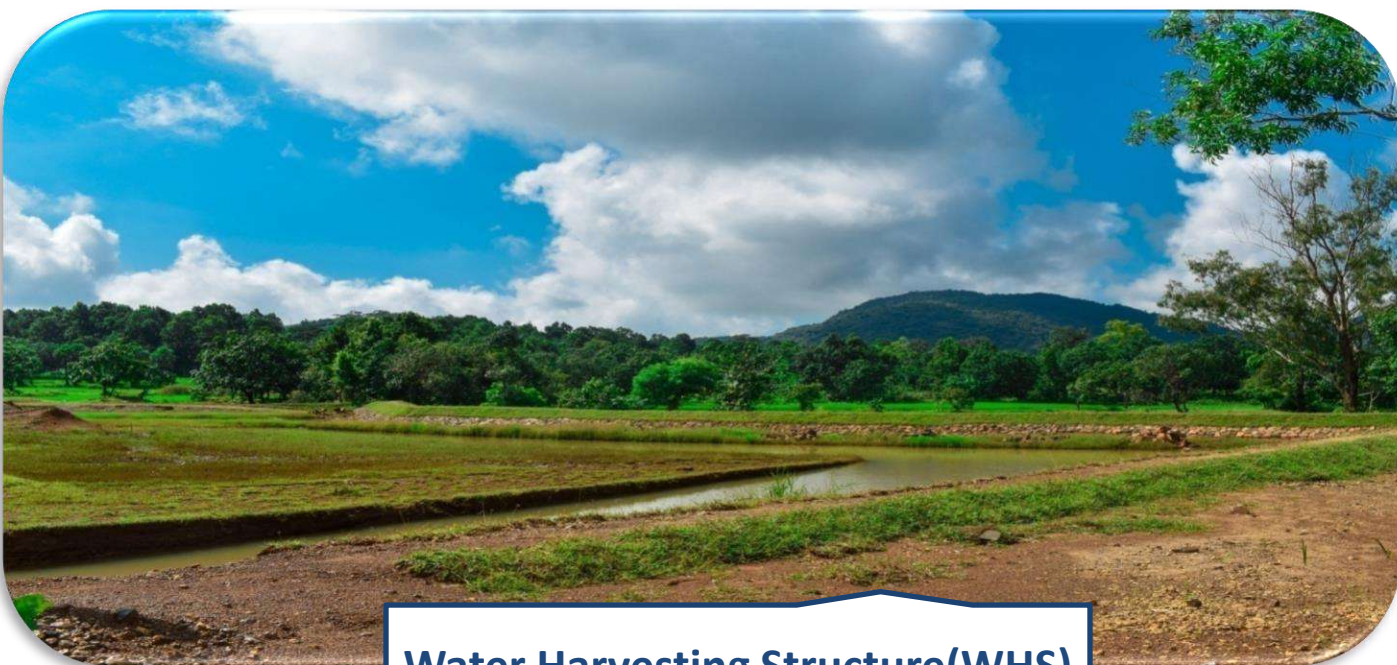

NABARD Projects-

A. Watershed

With support from NABARD we started one Watershed in Kalamgadga GP of Kaptipada Block during 2019 . Sarisua, Kalamgadga and Ramchandrapur villages were undertaken .During Capacity Building Phase we worked in Sarisua village during 2019. One year lapsed due to CORONA . Now Final Implementation Phase has been started from January 2022 in Kalamgadga GP . Various earth work and soil & water conservation work is continuing under this project .

After our intervention the scenario of the area has been changed .barren lands have been changed into green vegetation area. We have constructed 2 Nos. of Water Harvesting Structure, 325 Nos. WAT, 15 Nos. SGP, 2Nos. Percolation Tank, 4Nos. Farm Pond 200 Hectors of land are being watered and saved from draught during last part of the Kharif season . One Watershed Development Committee has been formed only with Women Members. A water users committee has also been formed . Machines like Dal processing unit have been set up . 72 Nos. goats have been provided to 12 landless farmers. 1 Mushroom unit has been constructed ..

Goat distribution to landless family

B- E-Shakti(NABARD)

Our E- Shakti project was running in 4 blocks ,Kaptipada, Khunta, G B Nagar and Badasahi.1301 WSHGs were undertaken and 43 women animators were working . They were uploading SHG data with their own mobile .It was a digitization system of SHG data . The project comes to an end in September 2022 .It was a NABARD sponsored project .

E-Shakti Meeting

C- Money purse

We have entered into agreement with Money Purse team and our animators who were working in E –Shakti project , received training on operation & transaction through money purse app with their mobile . We had also own a machine to make transaction of our own staffs and SHG members.

Money Purse

D- GRLTP -1

We have implemented one Grass root Leadership Training Programme for matured SHGs in Kalamgadia village under Kalamgadia GP of Kaptipada Block. It was also a NABARD sponsored project.

GRLTP

E- Working NGO meeting at Kala dam

We have arranged an open discussion with various line departments and NGOs in a common platform so as to aware people about various schemes and cooperation from Government department. Officers from agriculture, horticulture, veterinary, mission shakti, soil conservation, irrigation, block, banks, welfare department have joined and actively participated in the discussion and DDM, NABARD presided over the meeting, it was sponsored by NABARD and arranged at Kala Dam Project, Kaptipada.

Working NGO Meeting with Line Dept.

With foreign funding ,we are running a livelihood project, OSED, Odisha Socio Economic Development Project by name .We are working with 253 WSHGs of Kaptipada block , under this project . Providing training on 12 cornerstones containing, financial, managerial, nutritional, and on improved animal management, PSRP process , Animal Health Camp etc

VETERINARY

We have mobilized one feed mill center for Laxmi Narayan SHG, Salachua. House has been completed and machine has been installed . production of poultry feed is awaiting. One poultry unit & One Goatery unit have also been mobilized.

Feed mill

TDC

we have a Farmers producer organization , consisting of WSHG members . They are engaged in purchasing of NTFP a and sell them to TDC .

NTFP business by SHG members

Perched rice mill

DRDA

Farm pond form DRDA—We have mobilized 34 farm ponds for farmers of Kalamgadia GP from DRDA , Baripada . in collaboration with Soil Conservation and NABARD .

OVHA

We are a member of OVHA since 2002. It is a state level NGO federation dealing with health programmes. We are also affiliated to Nehru Yuva Kendra, Mayurbhanj, Baripada.

CCX

SRP, Agro-Forestry, Cook-Stove

We have signed agreement with Core Carbon Solution Ltd., Hyderabad through its Bhubaneswar Office to work together for conservation of our environment. Under SRP we have surveyed 5000 hectares of land under paddy cultivation. The mechanism behind this is to reduce water content leaving just sufficient water for paddy and minimize the formation of gas causing environmental hazards. The farmer will get incentive for this purpose. A Farmers Orientation Programme was held at FIAC Training hall, Agriculture Office Kaptipada.

Under Agro forestry we have surveyed 1000 hectors of land under plantation .The farmer who will take care of his plantation will get incentive for about 20 years .

Agro Forestry

Under Cook –Stove scheme the user will receive incentive after successful use of his stove for 3 years. He will also receive back his money paid during purchase of Cook-stove.
