CONTENTS

1-Reviewing the past years

About SECURE

SECURE as a grass root level NGO is working since 1988. It got recognition of a registered society on 08-12 -1994 . We are working with Block, and District administration and receiving grants from state, central and foreign Govts. Our achievement in various sectors may be summarized as follows.

Women leadership

We are in 31st year of our registration At the outset SECURE dreamt to empower women through SHG. And also by imparting education .During 2010 we have formed 66 WSHG in Kaptipada block Then During 2012- 2016 we have formed 350 WSHG in Kaptipada and 125 in G B Nagar Block . Most of our WSHG members are now employed in OLM and Mission Shakti, projects . Some of the members have become ward member, PS member and Sarapancha , so on and so forth .

Education

Nota is a tribal dominated GP under Kaptipada Block and at the vicinity of the foot hill area of SIMILIPAL . We have constructed one HIGH school (SECURE Residential Secondary School) there and continued from 2003 to 2013 . Most of the students have been appointed in Govt. and private jobs. Some have become political leaders . We got permission for school but due to non availability of non tribal land we were denied recognition.

Livelihood

During the year 2015 to the end of 2019 we were running a livelihood project MSED (Mayurbhanj Socio Economic Development)by name with support from Heifer International and GALV Med ,USA .The second donor helped to promote poultry and the 1st one to Goatery including other sectors of smooth livelihood .

2-PRESENT ACTIVITIES

1-NABARD Projects-

Watershed

With support from NABARD we started one Watershed in Kalamgadua GP of Kaptipada Block during 2019 . Sarisua, Kalamgadua and Ramchandrapur villages were undertaken .During Capacity Building Phase we worked in Sarisua village during 2019. One year lapsed due to CORONA . Now Final Implementation Phase has been started from January 2022 in Kalamgadua GP . Various earth work and soil & water conservation work is continuing under this project .

After our intervention the scenario of the area has been changed .barren lands have been changed into green vegetation area. We have constructed 4 Nos. Gabion, 294 Nos. WAT, 1 No of Stone outlet, 1 No of stone nalla bund 8 Nos. SGP, 7Nos of MDS, 2 Nos. Percolation Tank, 3Nos. Farm Pond 200 Hectors of land are being watered and saved from draught during last part of the Kharif season . One Watershed Development Committee has been formed only with Women Members. A water users committee has also been formed .

3-DISASTER MANAGEMENT

We are implementing Disaster mitigation programme in Kaptipada & Gopabandhunagar block. We are preparing Village Disaster Management Planning (VDMP), Gram Panchayat Disaster Management Planning (GPDMP). We are observing Disaster Day and preparing the committee members to face the unseen disaster through MOCK DRILL.

Odisha State Disaster Preparedness Day

4-Comprehensive Rice Fallow Management(CRFM)

As a partner NGO of World Veg, we are implementing this programme of Odisha Government. Under this project we are promoting farmers to cultivate non paddy crop like Moong, Lintel, Mustered green gram, black gram etc immediately after Harvesting of paddy. This year we have adopted 1650 Hector of land in GB Nagar block & 1750 Hector of land in Khunta block.
