(ii) HEIFER PROJECT INTERNATIONAL –

MSED – This project was supported by Heifer Project International, USA. It started during 2015 and continued till the end of 2019.

This was a livelihood project based on Women Self Help Group .The aim of this project is to enhance the standard of living of the people with an increased income from their livestock and poultry birds .

*The theme underlying the project is **not a cup but a cow** supported by “Passing on Gifts”. A person is to share his resource (knowledge, wealth, livestock, vegetable, etc.) with others who do not possess them .The receivers on their term will pass on these gains to others who want them. In this way the whole community will become self sufficient by helping themselves.*

The theme rests on twelve cornerstones. Valuable trainings in the name of twelve cornerstone training are imparted to the people connected with this project. In this project , we are working with 2825 no of families of 13 GPs under Kaptipada Block of Mayurbhanj district .Under this project we implemented the following various training programmes to develop human potentiality , gender in – equilibrium , entrepreneurship , SHG management , book keeping , taking care of domestic animals and increase their number with a business mode, hygienic method of keeping animals and birds, maintaining their good health, promotion of agriculture ,kitchen garden with innovative way etc . We have also provided funds for purchasing goats & bucks, constructed goat shed, poultry shed and facilitated the marketing process.

A farmer producer organization has been formed with support from this agency in the name of Kuantara Producer Co. Ltd. Its shareholders reached a number of 1486. The company continuing business on turmeric, tamarind, mohua flower, saree, incense sticks, washing powder, drumstick, vegetables in addition to its main business on poultry and goats . It is a joint stock company formed only by women . Board members and shareholders are all women .SECURE staffs are facilitating the Company to march forward.

The twelve cornerstone training has become fruitful to some extent .Even after the close of the project passing on process is also continuing among most of the SHG members. Kitchen Garden gained popular
